

Membership Card offers

The aim of the Card is to encourage our members to get to know one another, and thus cross promote each other's services.

To obtain access to a participating visitor attraction/business, members should present their Tourism Association Membership Card on arrival and be prepared to produce secondary identification. All offers are for the sole use of the named cardholder only. We ask members to respect the card and the goodwill of those businesses who accept it.

If a provider business feels they are being taken advantage of, then they have the right to withdraw or amend their offer at any time without prior notice.

If you have any questions about the use of your card, please contact Pembrokeshire Tourism admin@pembrokeshire-tourism.net Tel: 01646 622228
